ATTORNEYS AT LAW

We are specialists in all matters of corporate and commercial law. We solve complex issues for our clients in national and international contexts. From our office in Constance, we assist medium-sized companies, corporate groups and public corporations as well as shareholders and the management.

The main focus of our activities is drafting contracts in corporate law, as well as assisting in M&A transactions, representing our clients in shareholder disputes and cases of corporate liability and advising in international commercial law matters. We also have extensive experience and expertise in criminal commercial law and criminal tax law. In addition, we are active in all areas of intellectual property law, in particular trademark law, copyright law, and employee invention law.

MAIN FIELDS OF ACTIVITY

- Corporate and commercial law
- Labor law
- Mergers & Acquisitions
- International commercial law
- Corporate litigation
- Dispute resolution
- Criminal commercial law and criminal tax law
- Trademark law and IP law

By combining legal expertise, technical procedural finesse, territorial coverage and mastery of new technologies, LX is a firm that stands out from the crowd : from advice to litigation, mediation, arbitration, and execution, we are involved at every stage of the dispute, and we guarantee clients ongoing representation throughout the proceedings.

But LX is more than just a law firm: over the years, we've broken new ground to enrich our value proposition: a continuing education center (the LX Academy), an innovation lab, and an in-house bailiff's office.

And it is thanks to these four entities that the LX Group can today realize its ambition: to provide the best answers to the complex challenges faced by its customers and colleagues.

MAIN FIELDS OF ACTIVITY

swisslegal

The SwissLegal Group was formed in 2004 as an association of independent 12 law firms present in all main cities of Switzerland. Our clientele consists of nationally and internationally active companies, SMEs, entrepreneurs, investors and private clients. Our preferred areas of activity include commercial law, tax law, construction and real estate law, succession and inheritance law as well as M&A transactions. In addition, our network of law firms has further specializations at the respective locations and also provides notarial services.

Our flat group structure offers a particular advantage. Depending on the mandate, cross-firm teams can be put together quickly to advise clients efficiently and competently. This gives our clients access to our entire spectrum of expertise and professional competence through a single trusted contact
